

Once there was a  
little girl,

Her name was  
pretty Jane.

What she liked  
most

Was to lick  
a candy \_\_\_\_\_.

If you want to  
pull a trailer

As you're  
driving down a  
lane

You'll need to tie  
it to your car

With a very  
strong \_\_\_\_\_.

Working under-  
neath the sink

Was truly quite  
a strain!

But the plumber  
really had to fix

That clogged up

\_\_\_\_\_.

The little red hen  
Had tried to  
explain,  
She needed  
some help  
To grow  
her \_\_\_\_\_.

If you want  
to visit

The girl named  
Lorraine,  
To get to  
her house

You just walk  
down the \_\_\_\_\_.

Dan was trying  
to fix

A wheel on  
the train,  
But when he hit  
his thumb,  
All he felt was  
the \_\_\_\_\_.

She wanted a  
fancy dress,  
You could hear  
her complain,  
But the one her  
mother bought her  
Was nothing  
but \_\_\_\_\_.

It dripped on  
the small train,  
It poured on  
the plane,  
It was flooded all  
around us!  
(Because of the  
\_\_\_\_.)

Chug-a, chug-a,  
chug-a, chug-a,  
Was its refrain.

You could hear it  
in the distance  
What was coming?  
The \_\_\_\_!
