

Bread, Bread, Bread Activity Card

Dear Families - Bread, Bread, Bread gives children a chance to see the many different kinds of breads that people prepare and eat all around the world. For this activity, your child will need to taste some of the bread items shown in the book. When your child tastes the item pictured in the box, you can help him or her fill in the missing dates and comments.

BREAD ITEM	DATE I TASTED THIS	COMMENTS
		I thought this tasted _____. I would like to eat this again. Yes No
		I thought this tasted _____. I would like to eat this again. Yes No
		I thought this tasted _____. I would like to eat this again. Yes No
