

Froggy Goes to School Activity Card

Dear Families - For most children, just like for Froggy in this book, their name is one of the first words they can read. To complete this activity card, with your child beside you, write your child's name in capital letters in the two boxes at the bottom of this page. Say the name of each letter as you are writing. Next, cut out the six names. Paste the 4 characters' names near their desks, reading each name aloud so your child can show where it belongs. Finally, decide with your child where to tape the two name cards that show his or her name.
