

One Monday Morning Activity Card

Dear Families - Young children need to learn the names of the days of the week. In One Monday Morning, a king, a queen, and a little prince come to visit on Monday and every other day of the week. But, starting on Tuesday, someone new comes to visit with them. With your child, re-read the book. Then, cut the pictures at the bottom of this page to paste them on the day-of-the-week box on which the new character first appears.
