

What Will the Weather Be Like Today?

Activity Card

Dear Families - *What Will the Weather Be Like Today?* gives children a chance to think about the different kinds of weather that they and other people in our country experience. For this activity, you and your child will use the chart below to record the dates on which a particular type of weather occurs. You can help your child by filling in the missing dates and circling the appropriate comments.

The weather	Today's Date	I like weather like this
 is hot.		Yes No
 made a rainbow!		Yes No
 is rainy!		Yes No
 is snowy!		Yes No
 is stormy.		Yes No
 is windy.		Yes No
